Application No:	19/11025/LBC
Comment:	<p>I refer to the application to change the use of the old Conservative Club to a dentists surgery.</p> <p>I support this provision of additional health care facilities in the town.</p> <p>This is a wonderful location for health care being on a bus route and with parking outside the property.</p> <p>This is a sustainable location for a health facility and very accessible.</p> <p>The property has no live frontage at present and is a sui generis use being a private members club.</p> <p>It will not result in any loss of retail facilities and is similar to the three opticians and several hairdressers and beauticians in the High Street and provides similar personal care facilities and will ensure continued and viable use of these premises.</p>
