Comment:	<p>As one of the closest neighbours that this development will have an impact on us we have two concerns relating to the dependant persons accommodation:</p> <ol style="list-style-type: none"> 1. As this is a two storey building and depending on the exact positioning of the upstairs windows this allows for a direct line of sight into the garden of North Range, which is not acceptable. 2. If approved, this will be the fourth dwelling within the main 'stable yard' area of Oliver House Stud. You have the main house, Oliver House Stud, and two further dwellings (stables that have previously been converted and not shown on the drawings submitted) which have been rented out over a number of years on a rolling basis. A further new dwelling seems excessive. <p>Jane and Graham Smith</p> <p>North Range</p>
